Tell time to five minutes

Grade 2 · Time

Answer key The answers are filled in.

1

What time does the clock show? **8:50**

2

Draw the hands to show 12:15.

3

Gus says the clock shows 3:50. Is Gus right?

Check one:

- [ ] No. The short hand is almost on the 4, so it is 4:50.
- [x] Yes. The short hand has not reached the 4 yet, so it is 3:50.
- [ ] No. The long hand is on the 10, so it is 3:10.

4

What time is it? **4:35**
