larkit | Tell time to five minutes

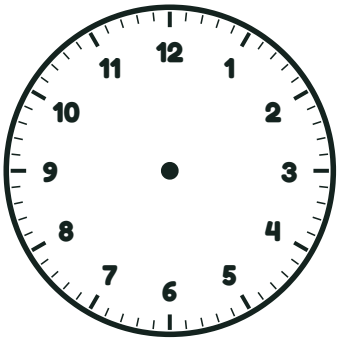
Grade 2 · Time

Name _____ Date _____

1

What time does the clock show? ☐

2



Draw the hands to show 12:15.

3

Gus says the clock shows 3:50. Is Gus right?

Check one:

- ☐ **No. The short hand is almost on the 4, so it is 4:50.**
- ☐ **Yes. The short hand has not reached the 4 yet, so it is 3:50.**
- ☐ **No. The long hand is on the 10, so it is 3:10.**

4

What time is it? ☐
