Name _____ Date _____

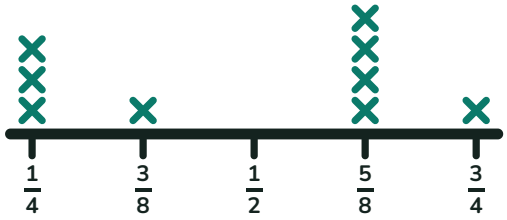

1

Books in the school library

The school library buys 50 more chapter books. How many more chapter books than picture books will the library have then? ☐

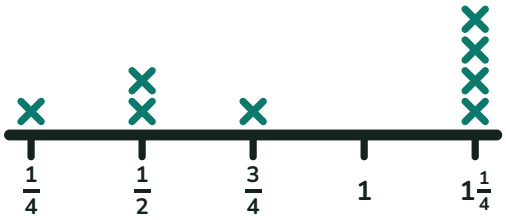

2

Birdseed in each feeder (pound)

Pia fills 9 bird feeders with birdseed. How much birdseed is in the 9 feeders in all? ☐

3

Trail mix in each bag (pound)

Sam fills 8 bags with trail mix for a hike. The line plot shows the trail mix in each bag. If the trail mix were shared equally among the 8 bags, how much trail mix would each bag hold? ☐

4

Water in each beaker (liter)

Hana pours water into 9 beakers for a science experiment. The line plot shows the water in each beaker. If the water were shared equally among the 9 beakers, how much water would each beaker hold? ☐
