larkit | Line plots in quarters, and dot plots

Grade 3 · Graphs & Data

Name _____ Date _____

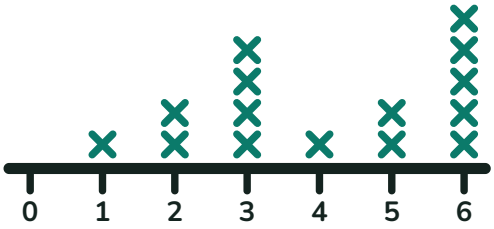

1

Goals scored

The dot plot shows how many goals each player scored this season. How many players scored more than 4 goals?

2

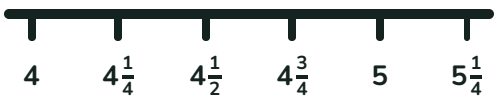

Goals scored

The dot plot shows how many goals each player scored this season. How many players scored more than 3 goals?

3 Make a line plot of the carrots. Draw an X above the line for each length.

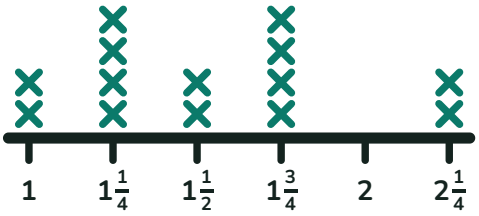

Lengths of 7 carrots in inches:

$4\frac{1}{2}$ $4\frac{1}{4}$ 5 $4\frac{1}{4}$ $4\frac{1}{4}$ $4\frac{1}{2}$ $4\frac{1}{4}$

Carrot lengths (inches)

4

Shell lengths (inches)

The line plot shows the lengths of some shells. How many shells are longer than $1\frac{1}{4}$ inches?
